

August 30, 2018

---

*Students Will Be Able To*

- 1. Review key action steps to take their senior year*
  - 2. Identify important deadlines*
- 

## Materials

[“Senior Year Action Items” checklist](#)  
[Priority Application Deadlines list](#)

## Introduction

Please show this video of the [Saturn rocket launch](#) [the first manned spaceflight to leave Earth’s gravity and orbit the moon].

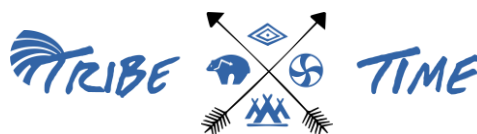

Remind students that a launch can be a little bit scary, involve multiple stages of preparation & follow-through, but indeed can help them begin new adventures. In preparing to launch during the senior year, there are some key items to focus on to make their next adventures as smooth and powerful as possible.

## Activity 1 – Stress Relief on One Page

Distribute copies of “Senior Year Action Items” checklist to students.  
Ask students to take turns reading aloud each of the items on the checklist.

## First Tangent to Activity 1 – Help with Filling Out the FAFSA!

Please let students know that they are welcome to complete the FAFSA at the **PHS annual FAFSA Fill-out & Scholarship Info night**. It’s scheduled for **10/18/18**, from **7-9 p.m.**, in the PHS library. Parents/guardians invited!

## Second Tangent to Activity 1 – Priority Application Deadlines list

Read aloud the “Priority Application Deadlines” list, and have students note deadlines for those institutions they may be interested in applying to.
