

A Career “Crystal Ball”?

Students Will Be Able To

- 1. Complete 4 career assessments*
 - 2. Get career suggestions based on assessment results*
-

Materials

A projector; computer access for each student.

Introduction

Explain to students that people are happier when they work in careers that match their personalities, interests, skills and values.

Students should also consider the working conditions of any career they’re interested in.

They can start to explore such options by taking career assessments.

Activity 1 – Why a Good Match is Important...

The following Monster.com commercials highlight the importance of finding careers that are a good fit.

[“Emergency”](#)

[“Beam”](#)

[“Crying Woman”](#)

[“Office Decoration”](#)

[“Pinocchio”](#)

[“Legs”](#)

[4 minutes run time total. As video loads, you may see spinning. Just click on the video, and the play button will come up for you.]

Activity 2 – Begin the Beguine!

Each student needs:

- 1) A copy of the [Career Assessments](#) instruction page.
- 2) A copy of the [Career Assessments Notes](#) page.
- 3) Access to a computer.

Some notes:

This activity will probably take at least 2 Advisory sessions to complete.

Encourage students to look at patterns that start to emerge. What trend/s do they notice?
