

!!!! Remember the October, January, and March progress checks!!!!

Work Journal - History/Government Activity

A New Journal sheet should be started for each new activity

This journal will be used by the Student to mark the progress and completion this part of the Project.

Note: If a student decides to change or add an activity that is different from the proposal form, he/she should consult a project supervisor first.

- **A detailed entry, neatly and legibly written, should be made for EACH occasion work is done on the Project.**
- **Time spent, in hours and minutes, on this occasion must be recorded.**
