

\*Note – No aspect of the Senior Research Paper can count for this portion of the senior project.

## Work Journal – Literature/Writing Activity

**A New Journal sheet should be started for each new activity**

This journal will be used by the Student to mark the progress and completion this part of the Project.

*Note: If a student decides to change or add an activity that is different from the proposal form, he/she should consult a project supervisor first.*

- **A detailed entry, neatly and legibly written, should be made for EACH occasion work is done on the Project.**
- **Time spent, in hours and minutes, on this occasion must be recorded.**
