LEADERSHIP EXPERIENCES LOG

Use this log to record whenever you've had leadership experiences, and it'll help you to be accurate when you later fill out scholarship applications or complete a resume.

Have you held a leadership position in school, community, or church organizations?
Have you increased participation in an activity? Have you led a project?
Have you started a new activity and gotten others involved?

Also list what measurable impact you've had. How did you make a difference?
