

Certified Nursing Assistant

CONGRATULATIONS! YOU HAVE MADE A GREAT CLASS CHOICE!

CERTIFIED NURSING ASSISTANTS ARE IN HIGH DEMAND!

COURSE DESCRIPTION: This course prepares the students to provide basic care under the supervision of a licensed nurse. Classroom study as well as lab and clinical work will help the student to be successful in passing both the written and practical state CNA exam and become a certified nursing assistant, qualifying them to work in a long-term care, assisted living, home health, or acute care facility.

INSTRUCTORS:

Mrs. Madsen - rachel.madsen@malad.us

Mrs. Campbell - scampbell@westside202.com

suzie.campbell@psd201.org
